

Information Disclosure and Personal Information Protection Review

Information Disclosure and Personal Information Protection Review Board

【The Board (15 members)】 Upon receiving a complaint against the decision on disclosure of administrative documents or disclosure, correction or suspension of personal information, each head of an administrative organ or incorporated administrative agency must consult with the Board. The Board, as a third party organization, carries out a review on the case and submits a report in response to the consultation.

Flow Chart of Request and Reply
