

# Regulatory Reform Is in Progress. We Boldly Fight against “Bedrock” Regulations.

## Office for Promotion of Regulatory Reform

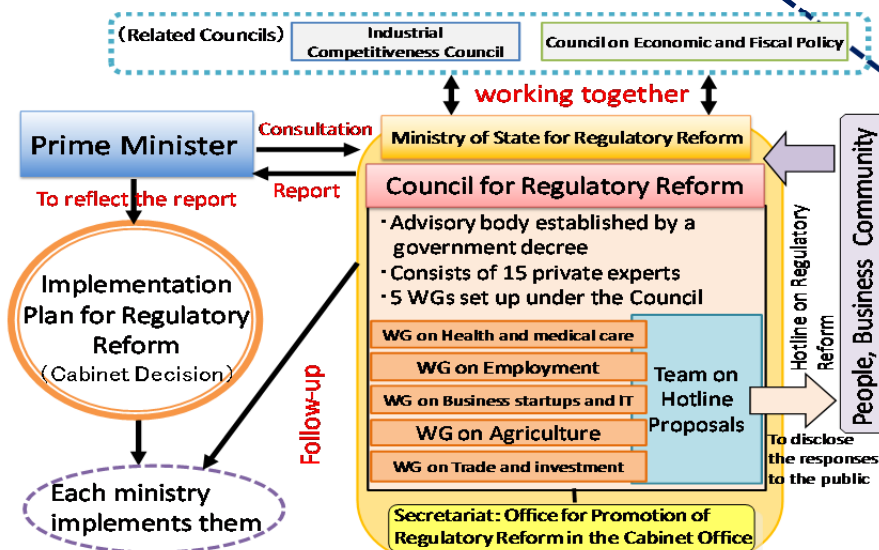

### 【 Our tasks 】

- The office is responsible for planning, general coordination, and promotion of regulatory reform. It puts together policy initiatives of regulatory reform through coordination with presiding ministries and agencies.
- The office is in charge of general affairs of the Council for Regulatory Reform. Managing meetings and accepting requests through “Hotline on Regulatory Reform,” it thoroughly supports the Council.

### What’s the Regulatory Reform?

### Scheme to Promote Regulatory Reform

### Examples

#### Promoting Regenerative medicine

#### Reviewing environmental assessment for coal-fired power generation
